Please specify in your application which position you are applying for.

Eligibility Requirements

Northern Ireland Intern

Mandatory:

- Demonstrable knowledge about Northern Ireland Troubles-related accountability or other transitional justice processes (for example, lived experience or a detailed research paper); or experience in human rights advocacy in Northern Ireland.
- Undergraduate degree in human rights, law, sociology, international affairs, or any other relevant field.
- A strong commitment diversity, equity and inclusion in the workplace.
- A strong commitment to working respectfully and sensitively with colleagues as well as a broader range of partners and stakeholders.

Desired:

- Postgraduate degree in human rights, law, sociology, international affairs, or any other relevant field.

Rise Coalition Intern

Mandatory:

- Experience in promoting the rights of civil society groups, human rights defenders and/or human rights coalitions; **or** detailed political or historical knowledge regarding Indonesia, Brazil, Colombia, India, Kenya or the Philippines.
- Undergraduate degree in human rights, law, international relations, or any other relevant field.
- A strong commitment diversity, equity and inclusion in the workplace.
- A strong commitment to working respectfully and sensitively with colleagues as well as a broader range of partners and stakeholders.

Desired:

- Postgraduate degree in a relevant field.

Repatriation and Citizenship Intern

Mandatory:

- Demonstrable knowledge about citizenship, migration or asylum issues from a human rights perspective.
- Undergraduate degree in law, human rights, international relations, or any other relevant field.
- A strong commitment diversity, equity and inclusion in the workplace.
- A strong commitment to working respectfully and sensitively with colleagues as well as a broader range of partners and stakeholders.

Desired:

- Postgraduate degree in law, human rights, international relations, or any other relevant field.

Communications Intern

Mandatory:

- Experience in media, communications, public relations or parliamentary advocacy.
- Undergraduate degree in journalism, media, public affairs, communications, or any other relevant field.
- A strong commitment diversity, equity and inclusion in the workplace.
- A strong commitment to working respectfully and sensitively with colleagues as well as a broader range of partners and stakeholders.

Desire:

- Postgraduate degree in journalism, media, public affairs, communications, or any other relevant field.

Fundraising Intern

Mandatory:

- Experience in fundraising strategy development, donor research or proposal drafting.
- Undergraduate degree in a relevant field.
- A strong commitment diversity, equity and inclusion in the workplace.
- A strong commitment to working respectfully and sensitively with colleagues as well as a broader range of partners and stakeholders.

Desired:

- Postgraduate degree in fundraising, marketing, civil society, or any other relevant field.

To apply, please email a copy of your CV and a covering letter explaining why you meet the requirements for the internship to info@rightsandsecurity.org.

By submitting your application, you consent to our processing and retention of your personal data to the extent, and for the time period, necessary to consider the application. We will keep your application on file for no more than six months.
